## Twisters 2006

Williams, Az. was invaded the weekend of Aug. 18-19 for the 10th Annual Twisters Cool Country Cruise & Route 66 Festival. At last report, 239 cars had registered for the show. I can tell you, there were more cars there than that. Many didn't bother to register. They just showed up to participate in a great car show. I am going to attempt to name the gang members present. If I left anyone out I apologize now. Jerry and Carole, Ken and Dee, Ken and Carol, Fred and Fran, Larry and Brenda, Jeff and Vicki, Paul and Judy, Page and Linda, Art, Manford and Connie, Bob and Betty in the grocery getter, and Me and Deb. Fred Sherwood and Steve were there to look at the cars but didn't drive one of their cars.

Friday morning we awoke to a small rain shower. It didn't last too long and the gang had their cars cleaned up in no time. Nothing much happened on Friday as far as the car show goes. Registration started in the early afternoon and there was a dance that evening. Most of the day was spent exploring the different shops in town and eating. Visiting with friends and making new ones was also a pass time we enjoyed. Jerry and Carole had driven their 66 Chevy rat wagon up for the show. When it came time to go eat supper, we decided to all pile into the rat wagon instead of walking to the steak house. Jerry added about 300 pounds to his rear shocks and off we went. You would not believe the looks we got from people on the street when we passed. The dinner was fantastic and the service superb. Paul and Judy decided they would walk back to the motel but the rest of us didn't feel we could waddle that far so we rode. The motel parking lot was the place to be in the evening. The weather was beautiful but one gang member thought it was cold and had to pull the comforter off his bed and wrap himself up in it. What a sight. We met an attorney from Italy named Geovanni Copertino. He and his wife were visiting different places in the U.S. We suggested they see Sedona instead of Death Valley and they agreed. Carol DuBois gave him a club t-shirt and we exchanged business cards so we could keep in touch.

Early the next morning, the gang was out cleaning their hot rods again. A heavy dew had settled on them and undid the work from the day before. The show was spectacular. Spectators were coming off I-40 just to see what was going on in this little town. Pictures of the event can be seen on the club web page. The awards ceremony began about 4PM. Several club members walked off with oscars. They were, Page won for best truck, while the magnificent dozen included, Jeff and Vicki, Manford and Connie, and Don Andrews. Congrats to the winners.

After the show the gang went to supper, what else. Some went back to the steak house while others decided to venture over to the train station and the buffet. It was quite a walk for us retired people. Ken and Carol walked back after supper because they didn't want to wait on the train to arrive from the Grand Canyon. Brenda wanted to see the train so the rest of us waited with her. I decided while waiting for the train that I was not going to walk back to the motel. I talked to a horse drawn surrey driver and got a pretty good deal for the eight of us to ride back to the motel in the surrey. Everyone chipped in and off we went. I wont comment on the driver other than she was very entertaining. We sang a couple of songs and had a great experience.

That night at the circle of chairs in the motel parking lot, we should have had our boots on. It was really piling up deep. They say that laughter is the best medicine. Well, there were plenty of doctors dispensing good meds that night. I haven't laughed that much in a long time. To me, one of the best parts of any show is sitting around in our chairs telling stories, laughing, and remembering the good ol days. All in all, the gang had a very pleasant weekend. No one had car troubles coming or going, Larry sold / gave his car away, with a little help from me and Jerry, and everyone ate very well as usual. The weather was really beautiful and the people friendly. There are many stories I could tell but due to space restrictions, I wont. Ya'll are just gonna have to be there next time.

## GOODGUYS

It's will soon be time once again for the Good-Guy Southwestern Nationals at West World. Nov 17-18-19 2006 - "woo-woo"!

You probably know by now, this years event is a 3 day show. The tour will be held on Thursday this year, lead by Prill and Kip of course. We expect Friday to be a lower than normal attendance day and the only duty requirement we know of at this time will be collecting stubs at the participant gate. Be a good day for the club to attend and spend some time in the vendor tent. (We are working 3 shifts at the gate on Friday.) The sign up sheets will be at most of our events for awhile, and at the membership meetings for everyone to get signed up. Your first choice for duty may be already taken, but we need you to find a spot and fill a hole somewhere on the list.

T-shirt sizes had been previously given to the secretary, the list has been updated a few times since and will be turned in by the time you read this newsletter. A few extras in all sizes were ordered and we will try to get everyone that works the event a shirt that fits. The registration forms were filled out at the last meeting. If you missed that, we are completing the ones missing if your name is already on the sign up sheet to work a duty. The registrations must also be sent in ASAP.

Please contact Larry (602) 548-1587 if you are not signed up for duty yet but will be attending and working so we can get a registration sent in.
