Here's a list of your Officers, Board Members and Committee Chairpersons, if you have any questions, suggestions, comments or just want to chat, give them a call.

From the V.P. Corner

Going to try and help our newer members by explaining the Good-Guy duty assignments.

Remember you are the host and hostesses, it's your party, participants are guests!

There is no special parking on Friday - if asked remember to inform people they may not be able to park Sat and Sun where they park Friday. Good-Guys will stake the field for planned parking FRIDAY NIGHT.

The basic Host Club duty assignments are...

Entry Gate/greeter (aka- front gate or main gate) -(all 3 days)

Basic duty is to verify credentials and work the entrance stubs. There should be credentials for every person in the car. (They will only have those if they have completed registration.) It may work best to have someone(s) on each shift out in the entrance line informing the participants to pull the stub for the correct day, and have the driver hand them all to the other gate people up by the entrance. Also to catch those who haven't registered yet. People get confused because they sent in registration. IF they have not been to the registration tent to get the participant package they wont have

the window entry form or the daily passes. They must have gone to the registration tent and have those for us to allow entry. Ask them please to put the card in the window before going onto the grounds.

Boyd's Pick parking-(Saturday only)

Some of the cars will be selected (some will select them selves) to participate in the "Boyd's pick" specialty parking. The selection usually takes place right as they come in the gate, so the cars selected need to be directed quickly out of the traffic lines to the reserved parking area. (looks like it will be up on top by the vendors tent again this year) We will make every effort to have enough room to get them moved quickly over and out of the way. Be kind, pleasant, and make your directions quick and very clear. Remember they don't know what you want them to do or where to go. Host club and Good-Guy staff will assist them in parking after selections have been completed.

On the field specialty parking (Saturday only)

Duties here are to assist the entrants in parking within the specialty parking areas on the polo field.

Continued on page 2

From the V.P. corner (continued from page 1)

Typical areas are; Deuce doings (1932's only), homebuilt heaven, you gotta drive em (driven 500 miles or more to the event), Muscle car reunion

Not sure yet exactly what others will be offered. Direct them where to park, and how to line up, keep room between for doors to be opened and spectator foot traffic. Don't get confrontational with those who want to park just so, and not the way you just directed them. Just tell them you have been asked to have the cars parked in the way you explained. (If they just won't cooperate don't make an issue just inform the liaison (Larry Besore) or a Good-Guy personnel.)

The specialty areas will have dash plaques awarded; your lead will have those.

Trophy Corral and Boyds Picks , also Top 10 (Sunday only)

Two areas, one on top to park the Boyd's selections, and the "Top 10" and specialty award cars. We will have more information as to the exact specifics Sunday morning!

Another area on the field for the "Trophy Corral" cars.

The entrants selected Saturday as award winners for the "trophy corral" will have the yellow sheets, direct them to the field, then the people on the field will match with the proper pre-prepared window card, and then direct them to be parked.

The trophy corral requires two duties for each team; one to manage the paper work, and another to park the cars. Again as the cars come in the gate and identify them selves as award winners, we will make every effort to get them moved quickly over, or directed to the field and out of the way.

Duties here are to direct award winner traffic from the parking spots, through the award lane and out again. We will know the final directions and plans event day.

"Good-Byers" (Saturday and or Sunday after awards) Saturday afternoon -(optional we'll see if we can manage this duty)

Wave "goodbye, see you tomorrow". Gather at the top of the hill by the exit and let people know we appreciated their attendance. This is a PR job, so smile a lot!

Sunday afternoon

Final impression, want a tunnel of yellow shirts to say "good-bye see you next year". Need lots of energy and happy people for this final impression. Remember "energetic and friendly" ...but don't hold up traffic with conversations, the guy behind the car you're talking with won't be happy waiting! The last impression for everyone needs to be a good one!

Questions you may be asked;

Where's the car corral? - Over by the swap meet, far South end of the event.

Where's the swap meet? - South end of the event -across the polo field.

Where's registration? - Outside the gated event area in the White tent.

Where's "so and so vendor"? - Vendors are both on mostly in the big tent, some on the field.

Where do I deposit the card for the drawings? - In the big vendor tent, at the Good-Guy booth.

What time is the show over? - by 5 pm Saturday, 3-3:30 on Sunday.

Award Ceremony (Sunday only)

October Birthdays

Larry Wibeto	10/2
Ron James	10/6
Elcey James	10/17
Marge Bohnen	10/23
Rick Kreutzberger	10/30

October Anniversaries

Barney & Donna Wilkins	10/8

All Shook Up

The date is Sunday, November 2, 2008 at Broadway Palm Dinner Theatre
5247 East Brown Road in Mesa on the Southeast corner of Higley & Brown.

We are arriving to sit out front with the cars to socialize at 10:30.

Doors will open at 11:45, and the show begins at 1:15.

Those interested in traveling together can meet at Uncle Sam's
parking lot at 90th Street and Shea.

We will leave at 10:00.

From the V.P. corner

Lets get this club healthy again!

It all starts with a little; **R .. E .. S.. P.. E .. C.. T...**

Relationships: We need to respect one another, respect the views, individual positions on issues, and the personal choices people make. Mutual respect will generate a healthy club relationship. Respect is a big one folks, we have to respect each others differences, as well as the similarities, that bring us together in the hobby. Respect a person's right to have and voice a different opinion. Respect the individual.

Club business: Respect the people you elected to perform officer duties. Respect the board members for the work and decision choices they bring before the membership. Respect the fact our officers and board members are trying to develop a club we can all have pride in, and fun with! Respect the effort and the intention. Anything you as a member are dis-satisfied with needs to go before the board to be

included as business at the next membership meeting. Help them do their job in surfacing issues, determining the facts and bringing that before the members for a resolution discussion/vote.

Club Functions: We are all here to have some fun, and to promote our hobby with others who share a love of old cars and the fun of using them. Let's show respect to others in the hobby, I.E; saved parking places CAN be done without creating enemies. But if it looks like its causing problems, even a little like it's going bad, quit doing it. Respect the club colors, you are representing the entire club when you have the colors on. Be aware that people judge our entire organization on everything you say and do. No need to be paranoid about it, just be respectful of others, club members or not! Have fun but behave yourself.

Club traditions: Respect the commitment we made to continue in the established OTHG traditions. Respect the club traditions, logo, and colors.

Respectfully, the V.P.
