### What's Happening?

We have the Flagstaff show in front of us (club pick trophy), Pinetop, Winslow (club pick trophy), Havasu, and then Good-Guys (lots of duty opportunities); to mention only the bigger events.

So gang, the next few months will be busy, I sure appreciate everyone's help in meeting the challenges.

As you know one of the duties we perform during the Good-Guy events is the pre-event tour. Over the years Big Bob (who started the tours) set-up some real quality tours. I have tried to carry on that "legend", with some success.

Of course I got a lot of help from Big Bob, club members and some pretty special Hot-Rod shops and the cooperation of private individuals and their collections. I am trying to move the tour Westerly this year, and will probably head back to the South East for the final stop and kick off party.

Looks like again this year the tour will cover some miles. Talk it up with people you contact between now and the event weekend, and let them know it will be worth the drive. Let them know also it will require some patients as some of the stops will be congested parking. Can't be helped, just need everyone to "chill" and it will be OK.

Then we need to do it all again in

March 2010, I already have a highly probable stop for the kick off party, and I'm thinking about a run a bit south before we head to the eastside kickoff. Maybe pickup some of the South Phoenix shops. Let me know if you have any ideas for potential stops.

Of course this time of year I'm always begging for help, so this year is no different.

I do need someone to step up and take the tour lead since we lost Kip and Prill.

That duty consists of assisting me with the tour layout, driving it a few times with me to determine best route and stop sequence and taking the lead position the day of the tour.

Also remember to sign up for duties during the show, really need you all to do a shift each day if possible. It already looks like I'm short handed for special parking areas on the field Saturday. Also need more help Saturday and Sunday parking the Boyds pick and the trophy cars.

*Thanks again for all you do!*
