## The Prez Sez

### What's Happening?

The members who have been around a few years all know that this time of the year I start my soapbox plea for help with the Good-Guy show. The club members always come through and we provide excellent support for the event. Still I fret and stew and worry about every open spot in the duties list. No change in my style for this year. With a few months to go I'm nervous about getting the assignments filled and making sure everyone has a chance to sign up.

Thursday we host the pre-event tour, OTHG members participate and help keep the tour moving from stop to stop, and kinda leading the parade. Friday is just gate duties, not unusual that the gate duties fill up quick. The gate Friday, Sat, and Sun is a great spot to see nearly every car that comes in. This year, as in past years those openings are going fast and in fact are nearly gone.

The parking assistance on Saturday is a dual effort. We help organize and park the cars who want to be part of the Boyd's pick. That effort has grown and every year we have more and more cars participating. That parking will again be on top by the big tent.

Also on Saturday is the specialty parking on the field. Usually 4- 6 special parking areas; young guns, homebuilt, you gotta drive em, and roadsters, or muscle not sure yet. The field parking takes a lot of resources and I always need more help there.

Then on Sunday the on-top parking is trophy winners, and the top 10, and other dignitary cars. We have to sort out the winners and provide the proper paper work for them and get them parked. There is no special parking on the field on Sunday. At 2:22 the awards ceremony starts and we need people to direct the cars through the awards area and back out to leave or park.

Then as the participants leave on both Saturday and Sunday we want a ton of people by the exit waving goodbye and letting them know we appreciated their being here.

If you can work a shift each day of the show, but especially on Sat and Sun that would be greatly appreciated. Also like to have everyone possible at the gates on Sat and Sun afternoons to wave goodbye, I can't tell you how big an impression that makes.

Thanks -  
Larry
