## The Prez Sez

As you know the car show season is on us. We just did the little VA show, established by the Scottsdale chapter, and the very nice Chandler show last weekend. Get ready here they come! Lots of stuff going on in March through June and even into July, then more in September on into years end.

Brenda and I have the Foundation Fighting Blindness Vision walk on the 6th, then it's the first annual Southwest spring nationals, the season opener Good-Guy show at West -World. Followed closely in April by the Del Mar Good-Guy show, the Globe Firehouse show and Shine on the 17th, after the Globe show is the Friends day car show. Dee says; "I received the information for this year's "FRIENDS DAY 2k10 Car Show" at Phoenix Calvary Temple. It is on Sunday, April 18, 2010 at my daughter's church, on Central Avenue, just three blocks South of Glendale Avenue. Those of you who attended their first show in 2009 were pleasantly surprised of the grassy setting and food and awards, Pre-register please, and entry fee is canned goods." Then its the Bethany Bible Church show on the 24th of April, also canned foods for entry, more info see Ron or Jan Olmstead. You're not going to want to miss any of those.

Info on the OTHG pre-event tour for the March show;

Stop #1 is a private car collection (Mel Martin) on Black Canyon access road North of Bell.

Stop #2 is Hughes performance, a manufacturing site for transmission

components and performance converters. They will have tours of the facility and provide lunch.

Stop #3 is Baer Brakes at the new facility on West Peoria (old Titan M/C). They fabricate and assemble the Baer brake systems at this site. Interesting tour of the process.

Stop #4 is Darryl Smith Racing/9 Inch warehouse, in Chandler. Race car chassis fabrication, 9 inch rear end components. A small shop but very interesting round tube chassis fabrications.

Stop #5 is the Steel Dreams new facility in Chandler. Very-very cool shop, and a ton of high end muscle car and street rod builds.

Stop #6 is Charly's garage in Mesa. Nice selection of interesting customer projects completed and in progress.

Kick Off party - Stop #7 is Drews Garage in Tempe. Food-Music and fun! Drew has 30 cars in the shop in various state of build, and a brand new water jet table (largest in Arizona) he will have the jet running for demos. A very neat and interesting shop.

Let people know about the tour, I think all the stops are worth the time to check out. The Good-Guys published the stops on their website, so it's no secret. They didn't have the sequence however. We just determined that. Parking isn't great at the first stop, but should be fine at all the others. Lots of on the street parking available for the Chandler and Mesa stops. Come on out and enjoy the tour, or maybe even just the kick off party after work.
