Here's a list of your Officers, Board Members and Committee Chairpersons, if you have any questions, suggestions, comments or just want to chat, give them a call.

"The First Lady Sez"

It's all hearsay but from very reliable sources, that it was doggone cold and wet on Friday at Goodguys. I was nice and warm at home but I think the ones who weathered the storm should be given a big round of applause. I can only imagine how those felt that were soaked to the skin and frozen. All you who carried forth, I commend you.

The grassy area was so muddy the cars were not allowed to park on it on Saturday. The OTHG buffet was set up outside the fence on the blacktop. Like the trouper she is, Linda Barnes set a great food table with a center piece of spring flowers. However, it didn't feel much like spring to me. Tobi was all huddled in his VW convertible even though he was wearing his denim jacket.

The sun was shining on Sunday. What a difference a day makes. More hot rods appeared and so did the spectators. Under the circumstances, the show wasn't all that bad.

Last Saturday, we met at the 'slab' then cruised to Queen Creek to Schnepf Farms where OTHG Scottsdale held their Spring Picnic. What a nice turnout and great weather; a fun place to hold their show. They had fabulous prizes at their silent auction, a poker walk, crafts and 50-50 drawing. Proceeds benefited Hospice of the Valley.

Several of us rode the train around the farm which is a lot larger than we thought. They have cows, pigs, sheep, goats and peacocks. They have an orchard of peach trees and grow quite an array of produce. There are also carnival-type rides for the kids. A very nice family oriented place. Hamburgers and hotdogs were served for lunch before the silent auction and awards were given. Glenna Williams won a Spaghetti Basket with some very cute serving dishes. That gal is really lucky.

We congratulate Page and Linda Barnes, with their red and silver Studebaker Lark, along with Bob and Patty Sarraillon showing their new '38 Ford Coupe, that were in the top-ten pick.

There was a gentleman who was doing pin striping on quite a few cars. Jerry and Carol Elliott gave their '39 Chevy a new look with some additional striping and a 'doodle' on the trunk lid. Looks nice guys.

I think everyone had a good time. I'd really like to encourage everyone to join in on the putts and cruises. I know that you can't do everything but when you can, join in the fun.

Fun and fellowship, that's what OTHG is all about. I'd say the rods were secondary but that might get a rise from the fellas.

Hope to see you at the Nolte's '43 Party.
