"From Tobi's Perspective"

It wasn't 'cause the Burban let Dad down that he traded it for a '40 Ford but because he is working on a '61 Ford Ranch Wagon. He was thinking ahead that he wouldn't need two similar cars. He and Larry Besore went to Indio, California, to make the trade. If you know my Dad, he couldn't just drive it the way it was but had to make a few 'small' changes so he could drive it to the 'Streak' in San Diego. He polished, Mom cleaned, Slo striped and Chip changed.

Finally, it was ready (until we got back, that is.) Very early on a Thursday, we met Larry and Brenda, Don and Glenna, Jerry and Carol, Conrad and Michelle along with Miss Bluebelle for breakfast at the Country Kitchen in Wickenburg. Funny place to meet, was my thought. Miss Bluebelle (she's a BIG cat) and I had to stay in the cars. Miss Bluebelle didn't like the idea at all and let it be known. I just pouted. Mom did bring me a treat, so guess the wait was okay. But, I got a little overly anxious when Mom was fishing in the back for my leash to take me for a walk and I jumped out and landed splat on the pavement. Better think that manuever over before I do it again. Not good.

Everyone loaded up and we were off, following the back roads. We stopped for gas and for potty breaks, took pictures on the way to the the Saltan Sea before the pie stop in Julian. As usual, I had to stay in the car but Miss Bluebelle got to go to the bakery. She still was telling everyone that she was unhappy. Mom always saves me a snack, wrapped a piece of pie crust in a napkin and left it on the table while she went to the powder room. Dad, in the meantime, gave it to Larry to throw away. He was talking to the locals as usual and wasn't paying attention to what he was doing. When Mom came back, she asked where my treat was. "Guess I gave it to Larry to throw away," he said. Larry sure was a good guy because he went dumpster diving and saved the moment.

When we finally got to the motel, Conrad, Michelle and Miss Bluebelle as well as Dad, Mom and I got put on a side especially for pets. There were all kinds of dogs, big and small. The others got rooms on the other side of the motel. No one told me there was a big step when exiting our room and I tumbled out. Sure pays to be resilient when you can't see.

VP says thanks... You guys and gals are the absolute best.

From our hearts to yours, thanks for the support during Daryl's services last Sat.

Brenda and I were riding in the bus with the other extended family members, many people on the bus commented about the cars and the "gang" in the yellow shirts.

However maybe the biggest and most heart warming reaction was from little 5 year old Tatum in the lead limo. She spotted the cars from afar and had the limo window rolled down to see them better.

Jeff and Vic also in the lead limo were very - very much appreciative of your display of support.

Big impact and a very warm feeling seeing you all along side the road. It was a long and sad day, made brighter by your support.

Thank you all from the bottom of our hearts.

Larry and Brenda and the Bacon families

Note from Nick Bacon

Please send out to all those beautiful car club members that participated in the tribute to Daryl Raetz, a great big heart felt thank you from the Bacons. Seeing those hot rods and the club members waving flags brought tears to my eyes and goose bumps on my skin. Deb and I and Jeff and Vic can't find the right words to thank them enough.....God bless all of them!!!!!!!!!!!!!!
