## "The Prez Sez"

First off, I would like to offer my condolences to Arlene St. Dennis after the passing of Lon last month. Lon and Arlene had been members of the club since December of 2013 and Lon's smile and club participation will be missed. They truly enjoyed cruising in their beautiful 37 Ford hot rod.

On a lighter note and looking ahead, I may have stumbled across a nice club event for us to participate in next summer. I got a call from Mike Callihan, president of The Gunnison Car Club. He was looking for some information on someone to entertain at their 2016 car show. He has invited us up to Gunnison next August 19-22 to enter into the festivities. They start in Friday with a cruise-in and poker run, car show on Saturday, and a cruise to

Crested Butte on Sunday for Breakfast. They have 300 to 350 cars and it is on the lawn. The best part will be getting to Gunnison through the Rio Grand valley in Colorado. Danise and I have spent time in the Creede Colorado area camping and fishing and the scenery is spectacular. In my estimation it is some of the most beautiful country in America. This looks like a fun event, and something different. Put it on your calendar.

Well, it has finally cooled off. The next few months will be full of hot rodding fun in Arizona. I look forward to participating in many of the events with you guys.

Until we eat and cruz again,  
The Prez

## Bisbee - by Dee

On Friday, September 4, we headed for Bisbee, AZ for the car show with Page and Linda in their Gremlin, followed by Page's Studebaker, driven by Mark and Renee from Texas, Page's daughter; and Ken and Dee in Raspberry, bringing up the rear. We were not too far from Marana, and Page pulls over to the side....the Gremlin just quit! Linda called AAA to wait for a tow home. They did hop right in the Metropolitan and headed once more towards Bisbee.

In the meantime, the four of us headed for Tombstone and Big Nose Kate's Saloon Restaurant for lunch. Boy, it was YUMMY! But while we were enjoying the lunch and entertainment, it had started raining outside. It rained harder and harder and when we finished lunch and checked out a couple of shops, it was STILL raining. Renee & Mark were staying in Tombstone for the night, and were waiting for Page and Linda to get there, so Ken and I jumped puddles along the roadside to get out to the middle of the street and hustled a few blocks to our car. I really felt sorry for all the horses, they were standing in the street in the rain and a couple of them got covered with a canvas, but it was really coming down hard. It was soooooo wet. Anyways, Ken and I jumped into Raspberry and continued on to Bisbee and our motel. Rain got harder but we made it and without windshield wipers, it was tricky.

Shortly, we were joined by Alan and Cheryl along with Ron and Jan. After a brief rest period, we decided to head to the Boys & Girls Club for their Friday night Hotdog & Chili Supper. It was still sort of rainy, but off we went. We were the only ones, along with a couple of local members. IT WAS DELICIOUS CHILI & DOGS! We registered for the car show and walked through the Club and saw the really neat things these kids get to do at the club. The walls were covered with their masterpieces, and the gal told us they were getting new floors throughout the building soon, compliments of the Diamondbacks and APS. After visiting a bit, we headed back towards the motel....opps, there's a Dairy Queen! Yup, you guessed it, time for ice cream, our bedtime snack!

Then Saturday morning, 6:30 a.m. we were at the car show site, and the fellow from Friday night showed us this whole side of the street, right in front of the club, that we could use as many spaces as we needed. We had Raspberry, Mitchell's yellow race car, Olmstead's new roadster, then Page & Linda's two cars, Tony & Jeannine's sedan delivery along with a couple more from Tucson, so we had good spots. And, we were hungry. So right across the street was a restaurant and we had a delicious breakfast. The show ended up with about 100+ cars and a few bikes. And when lunchtime came, it was back to the restaurant. Ken & Dee's friends, Betty & PJ, from Sierra Vista had come to see the show and joined us for lunch. In the afternoon it got pretty warm and it was time for the awards. Page & Linda received two awards; award for Alan & Cheryl; award for Ron & Jan and can't remember who else. Anyways, it was a really good show and next year, Ken wants to stay a couple more days, as they have a bed race and a coaster race...these are going down a hill (and they have some great hills), so we'll see!

Ken and I left, after the awards, and headed for Sierra Vista where we stayed Sat. and Sun. nights with Betty & PJ. Come Monday morning about 10 a.m. we headed for home. Then Tuesday morning, we headed for Prescott as I was putting my house there, up for sale. The painter had finished the outside of the house and then we met with the realtor at 3 p.m. and got it put on the market. On Thursday, we had 2 bids and Friday, 1 more bid which I accepted. So I'm in the process of selling my Prescott house; Ken and I will soon complete our closing papers for our Sun City home; and then Ken will sell our present home. Yes, yes, it is a busy time for us! But we still look forward to the Bisbee show next year!

P.S. Strip and Stripe and Charley came home with us...I couldn't bear to leave him up there with strangers!

## Bisbee- by Cheryl

Bisbee the town of Copper to Culture came alive Saturday, September 5 with over 100 cars lining Arizona Street starting at the Bisbee Boys and Girls Club Building. However the day before was a very eventful day for Page and Linda. They were motoring down from Phoenix along with their daughter and son-in-law, and Ken and Dee when the gremlins came alive in Page's Gremlin. Spit, sputter, cough, and it was all over. The gremlins had won and there they were many miles from home alongside the road. Well there was only one thing to do, call a roll-back and get the Gremlin back to Phoenix. Their daughter and son-in-law went on ahead to their planned destination of Tombstone where they were staying. Ken and Dee went on to Bisbee to their hotel. Page and Linda hopped into the roll-back with the car strapped down on the back and headed to Phoenix. Several hours later Page and Linda jumped into the Metro and headed out again, on their way to Tombstone. The Gremlin safely parked in the garage. The Metro zipped along and they made their destination for the night. Meanwhile Ron and Jan, Cheryl and Alan were motoring down the road on their way to Bisbee. The sky was cloudy, a little rain, but cool temperatures. A nice relief from the Phoenix temps. Us four met up with Ken and Dee, and went to the registration held at the Boys and

Girls Club. They hosted a hot dog (with or without chili) chips, soda and a cookie. As usual we never pass up a meal. All the town folks we meet were so happy that our club made the trip. They enlightened us about the town and the function well deserved on the Boys and Girls Club. Saturday morning was a little drippy, when we arrived at the show, but that did not stop us from partaking in a wonderful breakfast at "Mornings Cafe" across the street (I know another meal). We all lined up starting with Raspberry, CAMNOXIOUS, the Model A Roadster, the Sedan Delivery, the Nash, and the Metro. The Yellow shirts were in attendance. Drizzle gave way to cloudy skies and great temps. When it came time for the awards, we stood in the shade of a vintage 1920's building and one of the first awards went to Page and the Nash, Page and the Metro, Ron and the Roadster, and Alan and CAMNOXIOUS. Then at the end Linda was holding the winning ticket for the 50/50 drawing. It was a great day for the Gang, and all the kind folks of Bisbee. Then to top it off Ken was reading the Sunday edition of the Sierra Vista newspaper, and on about page 8 was a picture showing the front fenders of our cars parked at the show. All in all even with Page's Gremlins gremlins, it was a fun show and should be considered next year.

## "21ST Annual Just Cruis'n Car Club Show"- by Dee

"21ST Annual Just Cruis'n Car Club Show in Winslow, AZ was well attended by the Over The Hill Gang - Phoenix. Ken Schaaf was our leader for this event and we met Friday, October 2nd at the Fountain Hills location ready to leave at 9:00 a.m. When we got there, Mike and Jean Rust were already there, just to "see us off" as they were not able to attend the show this time. Heading up the highway to the Payson Casino and lunch was Ken and Dee, Page & Linda Barnes, Steve & Cindy Bryant, Bob & Patty Sarraillon, Darrel & Becky Hampton, and Dave Bertram. Lunching at the casino also, was Dave & Anne Bennett with camping trailer, and another couple with their camping trailer. After a delicious lunch, we were on our way again, making a 'quick stop' at the Honey Store in Pine for jars of honey, pumpkin butter, peach butter. etc. Yummy! Then, on the road again!! Another quick stop at 'Clint Wells' yah, one of those 'necessary' stops! Finally...Winslow. We checked in at Registration and then headed to our motels. Some stayed at the Quality Inn, Host hotel, and some stayed at the LaPosada Hotel.

We did the Friday Night 'poker run' around town, from 5-6:30 pm and then at 7pm they had a 'burnout' contest...and you had better be up wind of the smoke! We checked with Alan & Cheryl to see where we were hopefully going to be parked for the show on Saturday, and then called it a night.

Saturday morning we headed back to our "street parking spots" to find about 3 others had joined us, unknown, but, oh well! We had Tom & Val Altgilbers, Alan & Cheryl Mitchell, Ron & Jan Olmstead, Steve Besore, Conrad & Michelle Monroe, Paul & Judy Nolte, and Barney Wilkins

from our club, so fourteen vehicles in all. Oh yah, and three 'pups'. I think we should have gotten the 'club participation' award.

We had shady spots along our street and sitting in the shade was a 'needed' requirement. We walked and walked, eating snacks, checking out the entries, voting for our favorites, eating in the park, walked over to the gazebo area where they had the cutest little cardboard cars that kids had made. Now these were big enough for the kid to get inside of it. You got to vote on two. Then back to the park area for ice cream, then walk some more, visit with friends, and on and on.

At 3 pm the awards were announced in the park area. OTHG-Phx had six winners. They were Steve & Cindy Bryant, Dave Bennett, Dave Bertram, Alan & Cheryl Mitchell, Steve Besore and Ron & Jan Olmstead. That ended the show events. We took one of the club's trophies to give out, and a couple of our gals went out and selected their choice. When the winner was announced, the couple had already left the show for a dinner engagement, so the Winslow Club said they would get in touch with Tom and Linda McMorine from Happy Jack. Half of the 50/50 was \$560. WOW! We headed back to our motels to relax, had dinner, and called it a day!

On Sunday, a couple of us went to the LaPosada for breakfast, then headed for home, ending a fun, great weekend, seeing a lot of gorgeous cars and old friends and eating and walking. And then, there we were, at home sweet home again. Some of us have put this show on our calendars for next year as well. A great show to be a part of!
