President's Message and Comments

The Prez Sez

Good-Guys

I know you have heard this before, but it true again; Great Job this year, those of you who came out to work were super; you came through again and were a big part of another successful Good-Guy show!

I have to admit it gets a little scary before the show trying to put this together. I mean; when a bunch of you tell me just "put me where you need me", or "I'll be there where ever you want!" That's really appreciated, but hard to add to the plan! I am never sure we have it covered until the last minute. You're making me old!
(OK .. making me older)

It all seems to work out in the final result however, but only because some people work 6-8 different assignments (bless you). Some can only work one, thanks for that, It's a team effort and I appreciate every contribution! Thanks for what you did!

Everyone cant spend the entire day on their feet, I mean we have our share of bad backs, bad knees, bad hips, broken arches, bum shoulders, and other bad, broken or worn out parts and assorted maladies in the group!

If you did what you could... that's all we can ask!

Thanks to the perspective members who came out to help us work the event. Your efforts were appreciated

and I hope you enjoyed the weekend.

We'll discuss the show some more, and the work details during the meeting.

I want to say on the record; the buffet set-up is legendary! If you have been to other host club buffets as some of us have; San Diego, Iowa, Columbus...believe me there is just no comparison! **Linda Barnes** you are absolutely the very best! Thanks to everyone who helped with that, it's just amazing! I often hear the Good-Guy staff commenting about what a first class act we are!

Speaking of legends, the tour again this year was a huge hit! Another 1st class deal. Thanks **Big Bob, Prill and Kip**, it's hard to pull these tours out of the hat year to year, great job!

Toyz-4-Totz was another great benefit success this year. Thanks to all the **OTHG** folks who helped make it so. **RWCA** does a great job all year, every year, working toward this event and benefit effort. I'm proud we can help a little. Our attempt to get the AZ chapters together was a bit weak, but it sorta happened! Havasu had multiple conflicts this year. Next year we will get some better plans together for a cook out or something. We did get a few from Havasu, Scottsdale, and Phoenix .

And well you know... **Ya Shoulda been there!**

Christmas Party

The Christmas party this year will be on Saturday December 17th at 5:00 o'clock. It will be held at Pinnacle Peak Patio Steakhouse in Scottsdale at 10426 E Jomax Road. You will have a choice of chicken or steak for dinner. We will be doing our gift exchange but opening them a little different this year. Our entertainment this year will be provided by Tom Chesnut. We heard Tom perform at the Tucson Car Show and think you will be excited about his entertainment. Don't forget to bring your chinese auction baskets for our own club auction.

Poker Run Prizes

PLEASE TURN IN YOUR PRIZES before the event. It creates confusion when we get 50% of our giveaways the morning of the run. It's just impossible to have any organization when that happens. We miss getting some of the donations listed and the vendors don't get thank you letters. So start your shopping now, we need at least one quality item donated from each member. The item should be something you would enjoy winning, it doesn't have to be automotive related.

Remember:

OTHG logo is owned by San Diego, we are allowed to use it on club legal attire only. The only approved black attire is the anniversary shirts and anniversary sweatshirts. All clothing orders are to be placed through the store keeper.

Hot Rod Soup in Cottonwood, Arizona - *article by Nick Bacon*

Saturday turned out to be a great day for an in state cruise. Several gang members met at the café in Rock Springs off I-17 for a cruise to Cottonwood and the yearly BBQ sponsored by Chuck Turnquist's Hot Rod Soup business. Ken and Dee, Ready Freddie and his date Pam, Me and Deb, drove our rods and were the first to arrive. Jeff and Vicki were with us also but due to a rear end problem, they were unable to bring their 33 Ford. Fred and Sue, Paul and Judy with grandson, and Terry and Barb arrived a little later. Terry was without his new build because of the cool weather I think. Breakfast was really good and the entertainment was provided by Jeff as usual. We departed Rock Springs about 9 o'clock heading north to Cottonwood. The weather couldn't have been better for the trip and traffic was light.

We arrived in Cottonwood a little after 10. We said our howdy's to Chuck and Tika and wondered around the shop getting acquainted with Chuck's business. This was Deb and my first trip there and it was really a cool place to visit. John Fransway and his grandson arrived later with his flamed 40 Ford. A couple of other gang members arrived in grocery getters and people were coming and going for most of the day. Chuck had a very good turn out. I think Walter was one of the ones that showed up in a grocery getter. The BBQ was fantastic. The brats were delicious and so was the potato salad. They had finger snacks and cold drinks for all. No one left hungry. The bees that were terrorizing the people even got their fill. I didn't hear of anyone getting stung though.

Ken and Dee, Paul and Judy, Fred and Pam, Jeff and Vicki, and me and Deb decided to take the back way home. We departed about 2:30 heading for Jerome. We topped off our tanks and off we went. What a beautiful drive. We went right through down town Jerome. I

couldn't believe the number of people visiting that place. There was a traffic jam at the one stop sign in town. The drive over Mingus Mountain was breath taking. I hadn't been on Yarnell Hill for 50 years I had forgotten what it was like to have your head lights kissing your tail lights around some of those corners. The views were amazing. Congress, Kirkland, Scull Valley, was places I hadn't seen since I was a kid and they have grown like the rest of the country. New home were going up everywhere. We made our way into Prescott and weaved through that sprawling city with a pit stop at the local K-Mart for a potty break. Wickenburg was our next destination and by then the gang would have to do what it does best, EAT. We stopped at Anita's Mexican restaurant. It was jam packed with people. There was a blue grass festival in town and I guess all the blue grass lovers also love Mexican food because they were all there.

Jeff started acting up again and we were asked to wait outside until our tables were ready. Can't take the boy any where. The wait was worth it. The food was very good. Our next destination varied depending on where you lived. Ken and Dee and Paul and Judy took the Lake Pleasant road exit to go home. Deb and I took the 303 and Fred and Pam and Jeff and Vicki went to 83rd and Union Hills to the Safeway parking lot to check out who and what showed up there. That place could be called the west side pavilions with the number of cars showing up every Saturday night.

All in all, the gang had a wonderful time. Ya just can't beat a day with good friends, good food, beautiful weather, and breathe taking scenery. Add nice hot rods to the mix and you have a very special memory to relive for years to come. YA SHOULDA BEEN THERE..

CHRISTMAS PARTY 2005 "CHINESE AUCTION"

By Dee Giuntoli

Hi everyone. Our Christmas party on Saturday, December 17th will feature a Chinese Auction FOR US!!!! I have 16 baskets to date that members have said they would donate. I need the **name of your basket or item**. I would ask that you email me @ dreamwithdee@cox.net or call me at **602/938-3068** and let me know the name. Plus, if more than one of you are helping with the basket, I would like to do a "Donated by:" card. The **baskets or items**, should be within a **\$30 minimum to \$50 maximum**. They will be a smaller amount than we use for our poker run baskets.

Theme is your choice. And remember that POT OF GOLD at the poker run??!! Well we have a "Santa's Secret Stash" - the can has been sitting up front at each meeting. You just drop your dollar bills or loose change in it. Also, ten percent of the club's half of the 50-50 drawing will go into the can each meeting through our

December meeting. "The can has been *hermetically sealed* and will not be opened until the winner *prys it open* at the Christmas party."

NOW REMEMBER, THESE BASKETS ARE FOR OUR CHRISTMAS PARTY AND WE GET TO WIN THEM. ALL OF US WILL BE ELIGIBLE. If you buy a ticket, that is.

But here's the best part . . . the PROCEEDS from our Christmas basket auction, will go to a "Charity" which will be selected by the Christmas committee. If you have an idea for a charity, please put it in writing and give it to me. Or email me.

WE ALL SAY, "THANKS FOR YOU CONTINUED SUPPORT!!" Nomad Cindy - Chairperson, Okee Dokee Carol, Mommy Dee, First Lady Brenda, NASCAR Carol, and The Reporter Lady Judy.
