## WHO ARE WE, JUST A BUNCH of GALS WEARING YELLOW SHIRTS? by Jan

Well since the guys are part of the OTHG legacy, I thought we should let the gals show that they, too, are a part of that legacy. Not all of us did car related activities but have a part of this legacy in our own rights. So below, I have listed some things that are important attributes to make us a well-rounded club. Can you guess who each one is?

Crew chief for a '39 gasser.

Only pit crew for her hubby's hot boat. Counted lots of money for OTHG.

Is out in the garage everyday working with her hubby.

Towed the "Mouse Machine" with her new Mercedes at the Antique Nationals. What's the balance?

Has a '55 Chevy in her high school colors.

Her first job was in accounting for the parts department of Herb Steven's Lincoln-Mercury Phoenix but retired from Samaritan Health Services.

A real personal shopper who finds great and usable treasures. Found a perfect tool box for the bed of her hubby's newest PU.

Made many pots of coffee at night so OTHG could have a nicely-done lunch at Good Guys.

Teaches others and makes wondrous things with gourds.

Has been steadfast at jazzercise ten straight years.

She was a 911 operator. A very important job.

Is taking boxing lessons as therapy.

She left sales and now teaches real estate classes.

Can really make a sewing machine turn out amazing things.

Retired from APS. Caught her hubby there also.

She is a "professional volunteer." Her heart is in caring for others.

Has sung with the Scottsdale Sweet Adeline's and the Sun Lasses.

Want to travel anyone? Check with her.

Is an accountant who does H.R. on the side. Did you know she collects nutcrackers?

Has flying fingers as she transcribes for Mayo Clinic.

Was with Dunkin' Donuts but now works for Jack-In-The-Box in a managerial position over several stores.

I'm sorry that I left out some of you who are just as dedicated to the club but I did this off the top of my head and right now I have chemo brain. Please just excuse me.

We have many backgrounds from both the guys and gals. We are truly an amazing club. After all, we stayed with Goodguys for 20 years. We worked very hard but were forefront in the eyes of the public who looked to the ones in yellow shirts. Thanks everyone for doing your part. And thank you Larry Besore for working you tail off before, at and after the events. We gals should give us all a round of applause.

Until we putt again, Jan
