Here's a list of your Officers, Board Members and Committee Chairpersons. If you have any questions, suggestions, comments or just want to chat, give them a call.

The Prez Sez:

Here we go again...another January is in the books. Barrett-Jackson is over and GoodGuys is right around the corner. Speaking of Barrett-Jackson, Bob Bailey sold his gorgeous 1957 Chevy Pickup, and from what I hear he was very happy with the price. Way to go Bob!

Our January breakfast putt was hosted by Gary and Carol Aden. It was on January 18 at the Haymakers Restaurant. A great crowd! I don't have an official total but I am guessing we were over 40. Thanks go out to the Adens for a job well done.

We are having our annual elections in February. I will introduce all the candidates at the start of the meeting and give any who want to, a chance to speak to the club. It's so good to have more candidates than positions available.

On January 25th, a small group attended the VFW Car Show in Goodyear. We had seven members of the OTHG in their club shirts with their club cars so we qualified for a putt. The show season is in full swing, so we have a lot of opportunities to show our cars and our colors. Get out there and have some FUN!

Ron

Introducing Mike & Susy Arney:

Susy and I were married in Burbank, CA in October of 1972. Susy was born in Pittsburgh, PA but grew up in Glendale, CA. I was born in Hoquiam, WA and grew up in Bremerton, WA.

Throughout my high school years I owned and worked on my car and most of my friends' cars. We changed motors, transmissions, etc. In 1966 I joined the Air Force and spent most of my enlistment at McChord AFB in Tacoma, WA, only 30 miles from home. I was one of the lucky ones in those years.

Our family grew quickly to a family of five, two sons and one daughter. After our children were all in school Susy worked in the insurance business, working for agents in personal lines. I had gone to California in 1971 to work for my Uncle at Ladder Industries, a ladder/stairway manufacturer in Los Angeles.

In 1993 we moved the company to Goodyear, AZ and have lived here ever since. We got back into owning cars as a hobby a few years later. Once we retired and moved into the Sun City West retirement area I became involved with the Dipsticks, an eating club with a car problem. And, of course, that is what led to us joining the OTHG-Phoenix to help get Susy more involved in the hobby. We are both very happy to have taken that step. We have met lots of terrific friends.

GNRS, Pomona, California, January 24-26, 2020:

A few of the Gang made the trip this year, Val Muyres, Larry Way, Ron Olmstead, and myself. The two cars left from the "Mouse house" at 8 a.m. Thursday morning.

This was the longest trip for the Stewdy, having only gone as far as Winslow previously. We hit the dreaded I10 and got lucky; traffic was light and no wrecks. Running about 80 the Stewdy was doing great, running smoothly. It still has more wind noise than I like but we'll work on that.

We had lunch at Chiriaco Summit and got into San Dimas and the hotel about 3 p.m. after some shopping at the Old Ford Store. We had dinner at Roady's Restaurant and we made our plans for Saturday.

I think we were in line at about 6:30 with a bigger crowd this year, or we were later; don't remember when we lined up last year. Entry went smoothly and they parked us between buildings 5 and 6, pretty much perfect spots.

This event is hard to describe to someone who hasn't been there. The outside parking is everything from in-progress cars to last year's AMBR contender. Inside are prime examples of every era car culture imaginable: Drag cars; customs, mild to wild; and show cars of every color and description.

We found Tom Harris and the Green 40 right at home with some mild to wild customs. Tom's car was well displayed.

We headed home Sunday morning after about 13,000 steps on Saturday. We had a good trip home; gas mileage was about 17.5 round trip. The only issues were my cruise control which quit working and Val blew a fuse for his AC fan. We never found the fuse to replace it.

It was a great trip... Ya shoulda been there!

Besore out...
