## The Prez Sez:

Here we go again, but at least this month it looks like we are beginning to return to a certain degree of normalcy. We are checking with the Red Devil to see if they can accommodate us for the June Meeting. The separation issue may still be a problem but as soon as we get an answer we will get it to you.

We now have two applicants who have completed their requirements for membership and two more who are very near their completion.

Events continue to be cancelled or postponed so it's tough to enjoy our cars. It is a great time to get a little work done in the shop. Being in the shop may get you excused from doing "honey-dos" around the house...jus' sayin'.

By the time you read this Carol and I will be headed North but Larry Besore will lead you all through the summer. A word of caution though, rumor has it that the Studebaker has no headlights so if he tries to lead you anywhere when it's dark.....!!

This is a short note but with nothing happening in the world, that's just kinda how it is. Stay safe, keep cool, and this too shall pass.

Ron

Meet Larry and Teresa Way:

Larry became involved in street rodding because he has loved hot rods since he was four years old. He started by building model cars and purchased his very first car, a '34 Ford 5-window coupe, at the ripe old age of 15. Larry loves driving, cleaning, and modifying his cars. He enjoys hot rod runs, swap meets and club activities. He's a club board member and loves the camaraderie of other street rodders. He has had close to fifty collectable cars, street rods and customs. He currently has a '34 Ford 5-window coupe, a '40 Ford deluxe coupe, a '40 Ford pickup, '52 Cushman Eagle and a '90 Chevrolet Corvette. Teresa is the club secretary and teaches sewing at a local BERNINA dealer part-time (and a very talented seamstress and quiltmaker! - Editor).

Larry moved to Phoenix from the San Jose, CA Bay Area in 2003 where he retired as a land surveyor with the County of Santa Clara. Teresa moved to Phoenix from the greater St. Louis area (O'Fallon, IL) in 2006 where she quit her job as a contractor at Scott AFB after Larry and Teresa were married in 2006. Larry and Teresa have seven children (two of Larry's sons own All Ways Hot Rods here in Phoenix), 13 grandchildren, and three great grandchildren between them.

**REMINDER: NO BUSINESS MEETING IN JULY!!**

## Members at Play

Russ Whitfeldt writes:

I was golfing with Mike Arney and Gary Aden on May 7th. After teeing off and approaching the green of the 3rd hole at Arizona Traditions, we were looking for our balls, and to our surprise Mike's ball was in the CUP. After a lot of fist bumps, smiles and congratulations, Mike told us that this was his second HOLE-IN-ONE and just as special as the first. There must have been something in the air that day because we all had a good round.

Green grass, good friends, and golf...what could be better? Congratulations, Mike!

Dawn Yex and her incredible adventure:

I want to thank everyone for sharing in our joy of my big win on "The Price Is Right." The story starts back in January when our friend, Trudy Curtis, told Carol Boen that going to "The Price Is Right" TV show has been on her bucket list, so Carol called me and asked if I wanted to go and be her copilot. I immediately said "I'm in!!!" We then asked Debbie Thomas and Margaret Macione to join us! Thanks to Carol Boen, we fulfilled that bucket list dream for Trudy.

On March 9th we went to the show. When we got into the studio and less than five minutes into taping, they called, "Dawn Yex, COME ON DOWN!" Well I could NOT believe my ears--big SURPRISE to this girl from SURPRISE, ARIZONA!! I started off with bidding on a coffee maker and a supply of coffee for a year to get me on stage, to then winning 2 cars, a scooter, AND a trip of a lifetime to South Africa with a safari!

It was an incredible experience and I truly made memories of a lifetime with my new lifetime friends!! Thank you, Carol Boen, for driving us, and Debbie & Margaret for coming along!
