The Prez Sez:

Hi Gang,
WOW!!!! It's hot but HOO-RAY for the rain! Art especially likes the rain part because he thinks we don't wash cars when it rains and I have not been able to convince him otherwise. I guess I should be grateful he lets me drive mine in the rain after all these years!!!! HAAAAHA!

I hope everyone had a fantastic 4th of July celebration honoring our Great Country. Art and I, along with daughter, Cyndi, and her fiancé, Brian, traveled to Rocky Point at Sandy Beach. It started out great, we stayed at a friend's condo, the resort put on a beautiful fireworks display on the 1st for Canada Day, and the 4th of July was quite a celebration with a live band, fireworks, and games for adults and kids. It was fantastic! We watched everything from our balcony; it looked like a million people were there....OK maybe a thousand but we stayed crowd-free and had a great view. Later we all laughed at celebrating America in Mexico. Fun was had by all until.....I should stop because this part of the story gets ugly, let's just say it was fun 'til it wasn't!

I ran some parts for Ron Boen a couple of weeks back, can't wait to see the project they belong to! He's always up to something really special!!!!

Art has another project car, 1968 Cadillac Eldorado, and NOW we are officially out of garage space! There is just not enough time in the day, week, month or year to get all these projects done but

year to get all these projects done but "we got it so that makes us THE WINNER"..... I've heard them say in a song somewhere!

Missing our out-of-town and out-of-country members, and looking forward to their return. We know when they start arriving back, they bring cooler weather! Maybe we can talk them into coming back a little sooner!

If you haven't had a chance to look at the OTHG website check it out. It's really looking great and if you get a chance, send Al T. a quick thanks; he's really doing a great job cleaning up our site and getting pictures and stories that you all send to him. I can tell he's put a lot of time into this and we really appreciate him.

With the weather change comes more car events, looking forward to those...OK, Art is looking forward to the car events; I'm looking forward to the shopping that can be involved with those events! Del Mar is getting closer so make sure you are registered at the hotel for this fun, fun, fun event!

Stay safe!!!! DRINK WATER!!!!!! ...and drive your cars EVERYWHERE!

Debbie

It's not too early to start shopping for the Children's Rehabilitation Services Clinic Holiday Toy Drive! Bring the toys to the Business Meetings...
