## The Prez Sez:

August is the month of the radiator! Art is in full '68 Caddy mode and he needs a new radiator. After two failed attempts to acquire the perfect part we realized it's not out there and getting a refund for damaged or mishipped parts brings out THE WORST IN ME!!! I'm sure he will figure out what to do and I'm out of the parts business unless you can get it from Amazon; I've got them on speed dial every day! It looks like September may be the same; I guess hunting for parts is half the fun.....NOT!

Didn't make the Silver City car show this year. It was going to be a long drive for a Saturday car show and we always really enjoy the Chili Dog cook-out they have the night before. Maybe next year will be better on the car show front. Looks like GoodGuys is still a go and we are all happy about that, and cooler weather is on its way, so much more fun is to be had at all the car events!!! I'm sure we are all looking forward to that. We had a few go up to The Watson Lake show and swap, I'm sure that was a good time and beautiful weather.....if it didn't rain as it usually does. We were looking forward to the August breakfast putt but at the last moment we had to pass, I'm sure everyone had a good time!

Our grandkids arrived from Minnesota and are trying their best to keep us busy 24/7, and they are doing a good job! We realize grandkids are not for sissies, but they bring us more happiness than we deserve and we love having them here with us.

We have picked November for the club picnic at Bartlett Lake, so get your cars shined up and purdy. We will be taking club photos for the website. Check out the website if you haven't yet!!!

The Christmas party plans are in full swing and it's going to be a good time! I'm looking forward to the themed dress and the FOOD! Can't wait to see what everyone comes up with. The '20s, '30s, '40s and '50s offer a lot of choices and will make some great photo ops!!!!

Looks like the Covers have a new toy, and I'm sure we all can't wait to see what Charlie does with the '63 Falcon? Looks good to me just the way it sits but I'm sure they will make it a beauty, they always do!!!

Looking forward to the cooler weather, car events, the return of our winter club members, and Del Mar. If you're planning on that trip, book your room now; it will be here before we know it.

BTW...we got a nice surprise. Dave Bennet stopped by the house to visit for a bit; it was nice to see him!

Stay safe and Drive your Car

Debbie

## REMINDER:

Please bring your toys/items to the meetings for the Children's Rehabilitation Services Clinic Holiday Toy Drive, in partnership with Brian at Vintage Parts Arizona. Thank you in advance for giving joy to the patients and family members of the CRS Clinic.

**H**i, Gang! Jim and Carol Dalton here.

We became members of the Over the Hill Gang-Phoenix in 2014, thanks to Danise and Charlie Cover. We met those nice folks when Jim got his first Corvette. When he completed his first “build”, a 1934 Chevy Phaeton, they suggested we apply for membership. What a great time it’s been! Jim has since built a 1938 Chevy Sedan Delivery and after that he has been working on a 1950 Ford Club Coupe. That is his nostalgia car! I met him when we were attending John Muir HS in California. He was then the proud owner of a 1949 Ford, and it was a truly awesome addition to our HS parking lot! He was proud of that car but, apparently, he liked me too, as he taught me to drive a stick shift in that car. I did some bouncing around in the parking lot of the Pasadena Rose Bowl, but learn I did, and we are still together today.

By the time Jim came to AZ to attend ASU he was driving a little red VW bug. Good thing too, as he put plenty of miles on it between Tempe and Los Angeles while I attended UCLA. Hooray for good gas mileage! We were married in 1966, yes, 55 years ago, and have lived in Tempe ever since. We have two married sons, two beautiful daughters-in-law and three amazing grandchildren! Soon, or I guess I should say, sooner or later, you will see us in our ’50 Ford. It’s going to be awesome! In the meantime you may see our ’50 Ford Woody. It was an auction find a few months back. Everything is pretty original including many surf board and surf shop stickers! It is very cute!!!

We would really like to get to know everyone better so please don’t hesitate to say “Hi” and chat when we are gathered!!

**WHY DRIVE HOME AFTER THE PARTY?** Mike Arney has arranged for a block of rooms for any club member that would like to take advantage. The \$129 standard room rate does **not include tax or parking**. Parking is \$12 per night. There are 10 rooms in the block, but if we go over that they will honor the rate IF they have room, so **make your reservation in your own name ASAP**.

**Please directly call Marriott Reservations at 1(800) 321-2211 or (480) 429-7785 on or before Friday, November 5, 2021**, (the “Cutoff Date”) to make your sleeping room reservations. Please identify yourselves as part of the **Michael Arney group** staying at the Courtyard Scottsdale Old Town, located at 3311 North Scottsdale Road, Scottsdale, AZ 85251. **All reservations must be guaranteed with a major credit card**. The hotel will not hold any reservations unless secured by credit card.
