*Here's a list of your Officers, Board Members and Committee Chairpersons. If you have any questions, suggestions, comments or just want to chat, give them a call.*

Happy Easter everyone and remember we are not celebrating a rabbit. There is certainly no lack of activity this month. Just note the list of car shows and events. You have probably noticed the meeting has shortened up a bit. If I skip over something you want to comment on, please interrupt and give us your wisdom. I don't claim to have all the answers, not sure I even know the questions. We are a unique club for many reasons, one of which is that we enthusiastically include the wives and partners. We also have a good opportunity to show the colors and flag at events. We are well known here as well as other communities. That is the good news. Along with that is the understood responsibility of presenting a good impression. In my brief time here, I have seen nothing but excellent representation from members at various events. Let's keep that tradition rolling. We have a few openings for membership so keep that in mind as you enjoy the spring and summer.

Phil

This month our bio is from Ron Olmstead - thank you so much Ron! I loved your story

I was born in Phoenix, went to ASU and became a registered land surveyor. I had my own business as well as worked for others. At one time I tried my hand at having my own shop called Old Cars. This wasn't too successful because I was too slow. Actually I was too much of a perfectionist. I retired from Fleet-Fischer Engineering in 2000.

I got my first car in high school, it was a black 4 door '50 Chevy fastback. Not my favorite model but my favorite color.

I later traded it for a '28 Roadster Pick up. I had that for 14 yrs. It was my daily driver as well as my drag racer. I entered it in the LA Roadster Show in Pomona, Ca. I enjoyed myself so much I became an associate member of the club. I was the organizer and founding president of the Arizona Street Rod Association. I held this position for 5 years. ASRA was formed so they could be the host club to the World of Wheels.

For the 75th anniversary of the '32 Fords, I had a gathering at our home which I called "Deuce Day". There were 106 '32's and over 225 participants that day. The event was moved to Sanderson Ford and after a year it was hosted by George Walker.

My wife Jan and I took my '32 coupe to the very 1st Good Guys in Scottsdale. Then in 1999, we took the T and won Host Club Pick. It was so much fun to drive past the crowd and receive the plaque that was prepared for us. Later we looked at it and noticed that they had the owners as Ron and Jon Olmstead! LOL That was our 1st encounter with OTHG! That however did not stop us from approaching Ken and Dee to sponsor us to become OTHG members.

I have enjoyed being a part of a great group of people who have become good friends.

I currently have a '30 modified roadster that I drag race and a '35 Ford 3 window coupe. Like most old hot rodders the older I get the faster I was.

Ron Olmstead
