*Here's a list of your Officers, Board Members and Committee Chairpersons. If you have any questions, suggestions, comments or just want to chat, give them a call.*

Hi everyone,

Guess this makes me a gang leader. Seriously, Gary and I have agreed that we are here to serve the club, not ourselves. That said, we will continue to have our monthly meetings at the Red Devil. I spoke to the manager, Darrell, at the February get together and he said he thought he had the staffing issue solved. We discussed removing or moving the tree, (the elephant in the room), which he doesn't like either, but can't take down because the owner loves it. Guess that person has never had a gathering in that room.

Also, we will continue to have the Board Meeting at Mimi's. Both these places have served us well. However, we will keep our eyes open for improvement. Gary is looking around, scouting out possible replacements. We want to remain somewhat central to the members, but as Chuck says, "it's a car club!". As Debbie said last month, we are the OTHG Phoenix, not the East folks or the West side story.

I would like to get better acquainted with some of you so if Sharon and I show up at your table, don't be surprised. Some of the rest of you might try moving around to fellowship with someone you know little about. I know the newer members would appreciate being included in a well-established group.

Along that line, we are second marriage people, lucky enough to find someone who can adapt to a somewhat different lifestyle. Sharon is becoming a street rod girl and I am enjoying the many other things on which we agree. Our travels have included Australia, New Zealand, Spain, the Mediterranean. 6100 miles across the US in a street rod through 20 states and Canada. By the time you read this, we will have been to Sharon's grandson's wedding in Colorado. Not sure how many more long airplane rides I can handle.

As most of you know, we are snow birds to Oregon, late May to late September. I will always be available by phone call, text or email. Gary will handle whatever needs local attention during the summer. We really like this gang and only want the best for all of you.

Thanks for putting your trust in us.

Phil Murray
