Prez says,

Hi gang, hope you are doing something fun. Sharon and I are in Bend, Oregon at our other house. We went from warm and dry for months to wet and cool, so far. Not complaining. She and I met on the golf course, both hit the ball down the middle and, as they say, the rest is history. My first wife quilted and played golf. Sharon quilts and plays so it was a very nice transition. Both of our spouses died in 2010. Neither of us thought we would marry again. Go figure!

Switching subjects, the Christmas party team has been researching, planning and discussing. As most of you have seen, the party has become much more expensive than in the past. Our goal is to scale back some without sacrificing a good time. As you might guess, we may have to charge something for the party to keep the quality up and not break the bank. It seems that all the related costs have risen. We are still in the working/planning stage so no hard costs yet. The board will have the numbers by November and will decide how we can best make this work. Just wanted to give you some advance thinking.

Looks like we will have another club picnic Saturday November 5 at Bartlett Lake again. That was a great place for the cars, people, view and food. Nothing wrong with doing the same thing again if it was so well received last year.

Keep in mind that we have several openings for new members but there is no pressure. Quality over quantity is always preferable. See you in the fall.

Phil
