Pres says,

Hi gang, hope you have found fun ways to enjoy the summer. From here in Oregon, it sounds like you are getting lots of rain. But some I have talked to say, not so much. So goes the hot portion of the year.

As you know, we have a Christmas party coming up on December 10th, from 5 to 10. We have secured the same band we had last year, of course for a little more money. We have reserved the same Legion hall as last year, of course for a little more money. The caterer has agreed to a reasonable cost for the food, of course for a little more money. Can you see a pattern here? We had gained a nice reserve last year from not having a party during 2020 and spent basically two year's worth on the one in December 2021. The party committee has been working toward trying to lessen the costs with not much success. With the current treasury we will not carry forward into next year without the members being charged something for this year's party. The board has decided, after much deliberation, to charge \$30 per person. This is designed to basically cover the food cost, with the club absorbing the band, hall, decorations, etc. Carol Dalton will be taking reservations and money, not sure of her schedule.

The other half of the budget equation is the annual dues. It has been \$50 per year per couple for a long time. When we worked parking at Goodguys we got \$2400 each year, which made it easy to cover all expenses and have an event or two plus the end of the year party. No decision has been made on raising the dues, but you get the drift of the economics.

Your input is always welcomed and there will be time in the meetings to get opinions and constructive suggestions. Hang in there, Fall is coming.

Phil
