Here's a list of your Officers, Board Members and Committee Chairpersons. If you have any questions, suggestions, comments or just want to chat, give them a call.

Hi gang, by now you are enjoying the nice fall weather, hopefully driving your rod to some cool places. Gary and I are going to Wings & Wheels this Saturday, always a good show.

Sharon and I returned from our guided tour of Greece and assorted islands on October 10th. I think we got our sleeping and legs adjusted about 3 days later. Not sure how many of those long flights we have left in our bodies. Fun trip, 20 people in a bus tour. Met some nice folks and saw many amazing places. Had great weather, took lots of pictures, still very glad to be home.

Looking forward to the Bartlett Lake picnic, thanks to Mike Arney for setting that up. We would like to highlight a rod a month at our meetings. Take about 10 minutes to talk about your car, how you built it or got it and what has been happening since then. Give us the specs so we can ooh and aah. If you bring pictures or an album, we can pass it around. Most of you have had cars for years and have some great stories.

Remember to not bring your hot rod to the December party, the parking isn't the greatest. We should have a nice meal, good band, and lots of time to tell lies. Dress up if that is your desire, but no worries if you just want to be comfortable. This is our end of the year celebration for everyone mostly healthy and no masks (for the most part). I'm particularly happy for masks going away.

Be safe, see you down the road.

Phil

Just a reminder to everyone

Carol DuBois still collects soda, beer, or any kind of can tabs for charity. Please bring them to a meeting or putt and we will make sure she gets them.

Thanks in advance
