Here's a list of your Officers, Board Members and Committee Chairpersons. If you have any questions, suggestions, comments or just want to chat, give them a call.

Summer is slipping away once more. Up here in North Dakota we haven't been suffering with the heat like all of you. A few days in the 90's but that's about it. In fact, as I write this article, it's 58 degrees and raining.

We drove up to Brandon, Manitoba last week to see our Canadian friends, Garry and Trudy Curtis. They have a winter home in Sun City West and of course, they are car people. Garry is a wonderful fabricator and Trudy is an artist and a photographer. Garry is just finishing up a '32 Ford Fordor highboy. I got to be one of his first passengers in it. We went to Brandon's monthly downtown cruise night. An amazing 200 cars showed up! Garry's highboy will eventually find its way to Arizona but not before it has hit the Canadian car show circuit.

It's an amazing car and Garry does everything himself except the final paint.

Our time is short here and we will be back in Arizona by the time you read this. It's fun to travel but even better to get back home. I have a new VW project in the shop and, of course, I'm still building cigar box guitars. I built a bass for one of the members of the band Queensryche. Their bass player lives in Scotland and I had planned to ship it to him but the shipping cost was \$1000.!! They are currently touring in the U.S. so we will figure out how to get it to him over here.

This is the first year I haven't brought a street rod along with me and it's been very weird to be without a car at the car shows. Oh well, I'll be back to my cars soon.

Carol and I have missed all of you and we will see you at the September club meeting.

Prez Ron
