PREZ SEZ

Hello everyone. Well, it's another month gone by and not much car stuff done by me. I think we all are waiting for the heat to find its way out of the valley so we can get out and enjoy why we all live here.

As you all know, or you should know by now. We have a new meeting place and it's called Dave & Busters. We have had one meeting there and two board meeting and I think it is going to work out fine. We helped them make out a menu just for us and it will make it easier for the cooks to get our meals out to us quicker. If by chance you have to wait a little longer, please be patient they will get to you.

On another note, I didn't do so good running the last meeting and I am sorry for that. Gary was kind enough to bring his speaker set up with a microphone but I wasn't very good at using it. I didn't realize that I had to move the mic when I turned my head and a lot of people didn't hear but only half of what I said. To fix that, I bought a speaker box and it came with two mics. Problem solved, nope, still had to move the mic when I turned my head. So, I said a few dirty words and went back to Amazon and purchased a headset that seems to work a lot better. Time will tell.

Saturday, we had our September 27th Putt at Gateway Auto Sales and Brothers restaurant. Gateway was having its monthly car show with coffee and donuts but OTHG were the only cars to show up. I do believe the rain had a lot to do with that. We had 5 Hot Rods and a few regular cars showed up. From there we went to Brothers for breakfast and like always a good time and good food was had by all. Thank you, Gary, and Carol for putting this together.

Looking forward to seeing everyone at the October 1st meeting. Keep in mind that there are two putts coming up and a few runs that we can participate in as a club. With that said, thanks everyone see you soon.
