Hey Gang:

Another month gone by and more bad news. If you haven't heard, Wolf Seuling passed away on Saturday, October 24th comfortably in his home. Please keep him in your thoughts; he was a good friend and good club member. RIP Wolf.

Now for some good news. John Logsdon and Helen Gwynn put on a great putt on October 17th. The putt started with donuts (my favorite) at the start and a slow and peaceful drive to the Dwarf Car Museum. Upon our arrival, we were met by Ernie's family and his son gave us a presentation on how Ernie got started and now that he is 83 years old, how it took 6 years to build his last and final car. After an hour and some club pictures with Ernie, we headed to the Raceway Bar and Grill for lunch. Good food, good service and of course, great people. Thank you John and Helen. For me, door to door, it was 172 miles. A little dust, little rain and a good drive.

With Halloween coming up this weekend and a few car shows, it looks like the weather is going to put a damper on most of it. Also we have our annual picnic coming on Monday November 2nd. I hope the weather will be in a good mood and give us some sunshine for that day.

I would also like to welcome back our snowbird members. It will be great to see you guys again.

October 2026 Putt

It was a breezy Saturday morning when 20 OTHG members met at 9:00am for our monthly club putt. After hosts, John Logsdon and Helen Gwynn handed out donuts and itinerary sheets, the group left the parking lot traveling south on 51st Avenue. A highlight of the trip was viewing a "No Kings" rally while passing through Laveen, AZ. Lots of sign waving by interesting people, apparently with nothing better to do.

We proceeded along the route passing through Maricopa on the way to the Dwarf Car Museum located on Halfmoon Road. Arriving at the museum, we were joined by additional club members and their guests who had taken different routes. Ernie Adams and family gave our group a short presentation on Ernie's background along with details of his dwarf car builds. Following the talk we were free to browse and ask questions. All agreed this was an interesting stop.

After the museum, we retraced our path to the Raceway Bar and Grill in rural Maricopa for lunch. The food was tasty and service was quite good.

There were 13 member and guest street rods in attendance as well as a minivan with four passengers. A total of 28 members and guests participated in the putt. Thanks to all members who joined us.
